

FHS ACADEMIC BOOSTERS VOLUNTEER FORM 2022-2023

The FHS Academic Boosters is a committee of the PTSA created to honor and promote student academic achievement. The committee needs the support of parents like YOU to be successful. We plan several programs throughout the year, including:

- **Academic Lettering Ceremony**
- **“Lions Taking the Lead” Breakfast**
- **Special Recognition to students with Straight A’s**
- **Special Recognition to Honor Graduates**
- **Mock SAT/ACT Tests offered September 17, 2022 and March 18, 2023**

Please return this form or sign up online to be added to our volunteer list. You will receive a few emails during the year notifying you of opportunities to help and linking you to an online sign-up list for donations for events when in-person school resumes. Please join us in rewarding our students for their academic success!
