

SAT & ACT Practice Tests

On Saturday, September 17, 2022 the **Fairfax High School Academic Boosters** will again be partnering with **Applerouth Tutoring** to offer Mock SAT and ACT exams.

This is a perfect opportunity for students who haven't started their testing to become familiar with the format in a stress-free environment. We will also offer the Mock ACT for students who have already taken the SAT and wish to see if the ACT might be right for them.

Students are encouraged to take a practice test before attempting the actual exam. They may select either the SAT or the ACT practice test. Students will receive detailed score reports to help them determine which areas they need to study.
